## Pole Assembly:

## Flag Attachment:

**For Outdoor Flag Sets**  
Choose an open location for your flag - avoid overhead obstructions and hanging branches  
**Install Ground Socket Anchor**

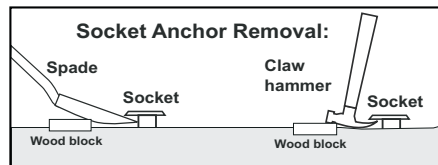

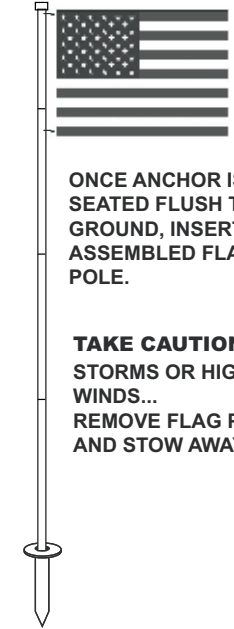

**A** Using a 1" or 1-1/4" dowel or pipe, create a 12" deep pilot hole

**B** Push Anchor partly into pilot hole - use 1 pole to adjust for vertical straightness

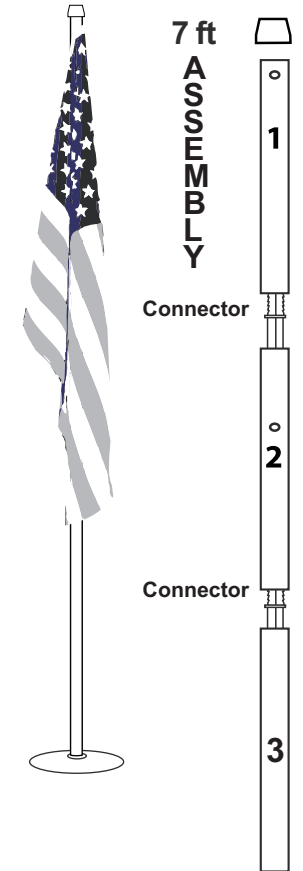

**C** Remove pole. Use socket setter - drive anchor into ground

**D** Be sure anchor is flush to surface

Use Anchor Plug when flag pole not in use

**In Door Sets**  
Stand the assembled Flag pole onto the Floor Plate

**OPTIONAL DEDICATION MEDALLION**
